General Rules for Exams in the Annex

Rules for entry and exit

There is a second admission after 30 minutes

- Once the start time has passed, the doors of the examination hall are closed. There is a second coordinated admission to the examination venues MA08, MA09 and MA10 that will only take place 30 minutes after the start of the exam. Ongoing admission after the start of the exam is not permitted. Students who arrive after the time of the second admission has passed are not allowed to take the exam and are instead referred to the next examination session.

The earliest opportunity to leave the examination venue is after 60 minutes

- Students may leave the examination venue at the earliest 60 minutes after the start of the exam. (When an exam has a writing time of less than 60 minutes, students may leave the examination venue at the end of the writing time).

The rules above apply as of 1 September 2023.

If you have any questions concerning General Rules for Exams in the Annex, please contact Coordinated Examination Services at tentamensservice@bygg.lu.se.

Please note that the rule above also applies to Sparta from 2024-02-01.
